SINGER | Start™

Automatic Settings Eliminate Guesswork

Automatic Tension
Ensures stable straight stitch quality regardless of the type of fabric.

Preset Stitch Length and Width
Getting started sewing is easy! There's no need to make stitch length and width adjustments.

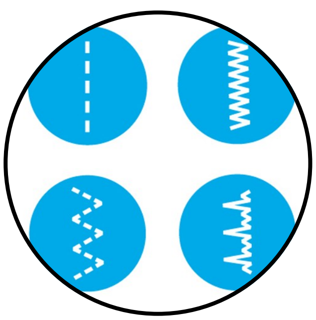

Automatic Bobbin Winding System
Simply follow the numbered diagram printed on the sewing machine and your bobbin is full in no time! The needle bar automatically disengages when winding the bobbin, making bobbin winding safe. The bobbin will automatically stop turning when the bobbin is completely filled. Never worry about overfilling a bobbin!

A Good Place to Begin!
The SINGER® START™ sewing machine gives beginning sewers and hobbyists just enough features to get their creativity off the ground.

Easy Threading
Threading diagrams are printed right on the machine so you can be set-up in no time!

6 Built-In Stitches
Straight
Satin
ZigZag
Blind Hem
Scallop
4-Step Buttonhole

Easy Stitch Selection
With the easily accessible stitch dial you can change stitches in one easy step!

Unleash Your Creativity

Dual Spool Pins for Twin Needle Sewing
The two vertical spool pins make twin needle sewing quick and easy. When sewing with a twin needle (optional purchase), parallel rows of stitching are perfect for hemming or adding a decorative touch. Just reduce the stitch width on selected stitches and twin needle sewing expands your creative possibilities.

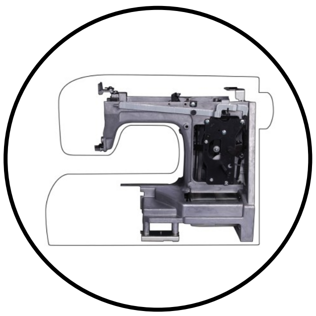

LED Sewing Space Light
The LED Sewing Space Light keeps your workspace illuminated.

Extra-High Presser Foot Lifter
Offers more clearance when sewing multiple layers of bulky fabric.

Free Arm Convertible
The removable free arm provides easy access to cuffs, collars, pant hems and other difficult-to-reach areas.

Women's Choice
SINGER has won the 2013 & 2014 Women's Choice Award for America's Best Home Sewing Machine!

Heavy Duty Metal Frame
The internal skeleton of the sewing machine consists of a Heavy Duty Metal Frame that holds all the mechanisms in perfect alignment for skip-free sewing and overall durability. You can be sure that your sewing machine will last for years of extended use.

Put Your Mind at Ease

This SINGER sewing machine comes with a limited 25-Year Warranty including 2 years on electronic components and 90 days on adjustments.
